Have you actually ever read the New Testament? Most people haven't. This summer we want to give you a big chance to read it through and learn more about your faith than ever before!

Your challenge for this summer (if you choose to accept it) is for you and your family to read through the New Testament in its entirety. Sound impossible? It's not! By reading around 15-20 minutes a day, you can read all 27 books in the New Testament in just under 10 weeks (see the reading plan below).

We encourage you to keep up with your reading and to consider some questions in a weekly reading guide. If you do – God will change your life! Then on Sundays we will share challenges from the New Testament about topics like forgiveness, servanthood, obedience, etc so that you will grow closer to God and others. Below is an overview of our plan for this series. We invite you to join your friends at Grace Community on this spiritual adventure as we explore the New Testament together!
