2007 & 2008 EPA Award of Excellence

Youth Walk is a comprehensive, youth ministry curriculum that helps students encounter a personal relationship with God, experience personal spiritual growth, and extend their understanding of essential Christian teaching. The curriculum includes the following elements.

**Youth Walk Magazine**—This is a daily devotional magazine that includes 5 daily devotions per week, inspirational stories, reviews, and other great stuff. I would encourage students and leaders (plus parents too) to keep a journal of reflections and questions for next week.

**Youth Walk Online**—A weekly Bible study lesson that corresponds to the weekly theme. This resource also includes activities and other ideas for the week. You too can download the lesson at [www.ywspace.org](http://www.ywspace.org) (click on the youth pastor tab).

There also are e-devos available online and other resources to reinforce learning.

At the end of each lesson students will be challenged to take NEXT STEPS for the week (read YW Mag & write 2 reflections, memorize a verse, find out more, serve, invite a friend, etc). These challenges will be issued each week and talked about the following study.
